

COVENTRY

PAYING IT FORWARD

Submitted Photos

Blackrock School in Coventry, a Feinstein Junior Scholar School, is following Mr. Feinstein's example of doing good deeds for others. The grade five students made friendship bracelets for a good cause. They are supporting "Friendship Bracelets for Mavrik."

Mavrik is a 6 year old from North Kingstown who is healing from septic shock and the amputation of both of his feet after 3 cardiac surgeries in Boston. He is a strong and courageous boy who is loved by all who meet him. The bracelets were sold for \$2 each at a local yoga event last month. If you wish to buy a bracelet you can contact Blackrock School or follow this cause on Facebook at "Friendship Bracelets # Made4Mavrik."
