

Career Center to Host Third Annual Salon Charity Day

All proceeds of Saturday's event will benefit the American Heart Association.

In honor of Women's Heart Month, Cosmetology students from the [CHS Regional Career and Technical Center](#) will be hosting an [American Heart Association](#) Charity Day on Saturday, Feb. 11, from 8 a.m. until 2 p.m. in the Center's Salon located on Club House Road. This is the third year for the event that supports the AHA and heart health awareness.

Students, who are part of the Center's three-year program, will be offering a variety of services including manicures, pedicures, facials, colors and cuts at deeply discounted prices in comparison to other full-service salons.

Money was also raised last week from sales of personalized Valentine's Day hearts and red dress pins during lunches at the high school.

The school's Health Career students will also be on hand to offer free blood pressure screenings. Appointments are recommended and can be made by calling 822-9499 ext 191, but walk-ins will be accepted as well.

[Check out last year's event by clicking here](#) and set aside some time this Saturday to be pampered while supporting a great cause!
