

## Coventry Culinary Students Cater to Local Educators

The students prepare and serve cuisine at functions as part of their career training.

October 6, 2012

*From left to right, Chef Rapoza, Ariel Chapdelaine, Ben Steele, Chef Marsella, James Johnson and Katherine Studley.*

Culinary Arts students from the [Regional Career and Technical Center at Coventry High School](https://sites.google.com/site/theknottyoakroom/) provided catering and service as well as a beautiful apple ice sculpture for the RI Educator Recognition Celebration which was held at Orchard Farms Elementary School in Cranston on September 16.

To learn more about the center's catering services, lunch menu, or Culinary Arts program, call 822-9499 ext. 283 or go on-line to <https://sites.google.com/site/theknottyoakroom/>.
