

SCHOOL COMM. TOURS ELEMENTARY SCHOOLS

Coventry Superintendent Ken DiPietro (from left), school committee members Lisa Tomasso, Thomas Heatherman, and Katherine Patenaude, Facilities Director Brian Steverman, and Town Manager Thomas Hoover, are given a guided tour of Western Coventry Elementary School Tuesday night by Principal Janice Sullivan. The school committee visited all the elementary schools in the district as well as Alan Shawn Feinstein Middle School of Coventry. At each school, the administrators and elected officials were greeted by the principal and walked through the school to see any changes to the use of rooms and learn about the vision of that school going forward.
