Coventry's Alan Shawn Feinstein Middle School held an annual meet and greet Tuesday night, and according to Principal Arthur Lisi it was an undisputed success.

"More than 600 students and their parents came to our school to meet their teachers and check out their rooms," Lisi e-mailed. "Teachers, parents and students thoroughly enjoyed the opportunity to have a chat with their child's new team of teachers."

School bus schedules for Feinstein and the rest of Coventry's schools are in today's Daily Times beginning on Page A-2.
