Bank manager helps 'Read to Feed' at Cov. middle school

COVENTRY — Citizens Bank colleague, Kasey Vivenzio, volunteered at her alma mater, the Alan Shawn Feinstein Middle School in Coventry for their school-wide Read-A-Thon, "Fighting Hunger 1 Page at a Time: Read to Feed." This reading challenge raised money to help end hunger in America.

On Nov. 25th, students came to school in comfortable clothes and pajamas to read all day. Parents, public officials and community members, including Vivenzio, provided breaks throughout the day by reading to the students. Vivenzio read *The Polar Express* to the eighth grade Onyx team.
