

Reading Week at W. Coventry Elementary

Submitted Photos

Students at Western Coventry Elementary School did some exciting things in addition to the completing author studies during Reading Week. Students decorated their classroom doors with posters to represent a book or books from their author study and then went around the building trying to figure out each classrooms book and/or author. They created a school-wide story and had guests from the Mystic Aquarium, with funding from Mr. Feinstein, come in to present to the students. The students and faculty also dressed up as their favorite book characters. There also was a school-wide presentation of the book "The Rooster Who Went to His Uncle's Wedding," a Latin American folktale written by Alma Flor Ada. While the entire school gathered in the gymnasium to listen to the story read aloud, the images were projected on the wall and the staff got into the characters and vividly acted out the book. The theme of Reading Week was "Travel the World Inside a Book: New Places, New Faces."
